

CurieuzeNeuzen april 2022

Rens Daeninckx - Ward Bruggeman

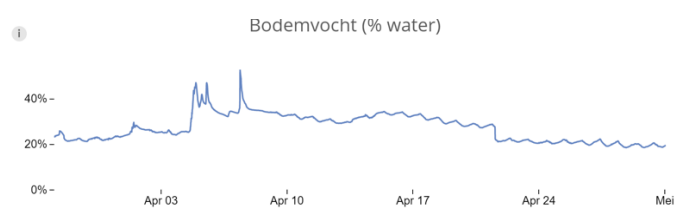

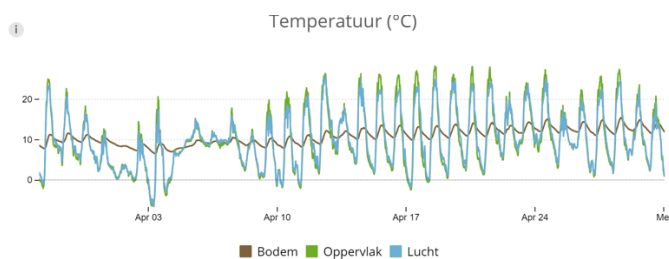

De komende maanden tot en met oktober kunt u hier de maandelijkse grafieken bekijken van enkele deelnemers van de tweede editie van het CurieuzeNeuzen in de tuin project. We brengen hiermee de droogte en hitte in de tuin in kaart. De locaties hieronder zijn verdeeld over Vlaanderen.

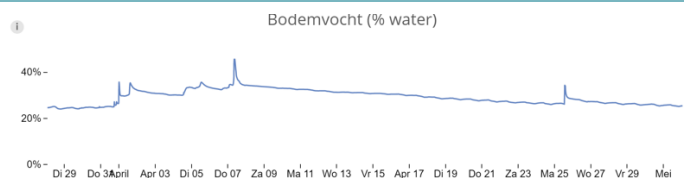

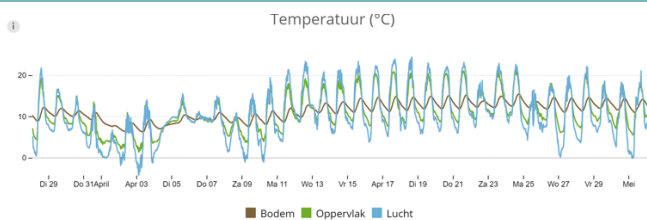

Antoon Kyndt - Lichtervelde

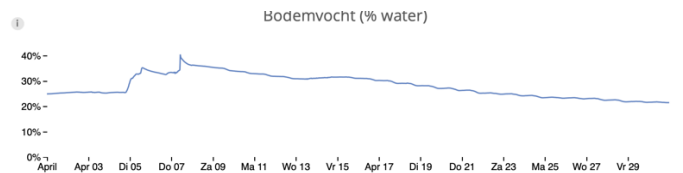

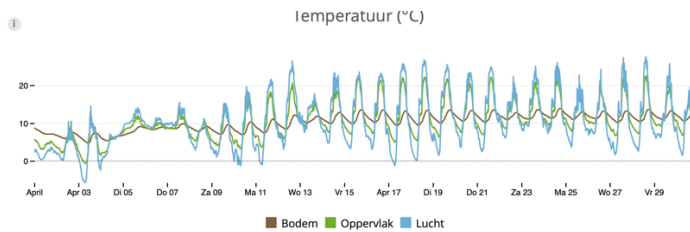

Jan Van den Brande - Kappelle-op-den-Bos

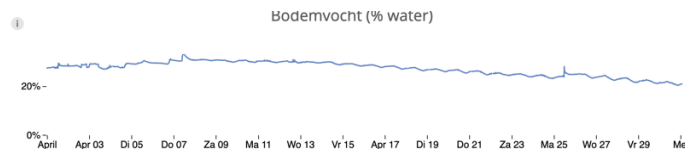

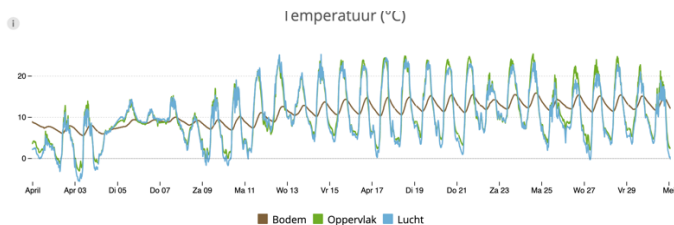

Kris Dewulf - Hoogdele

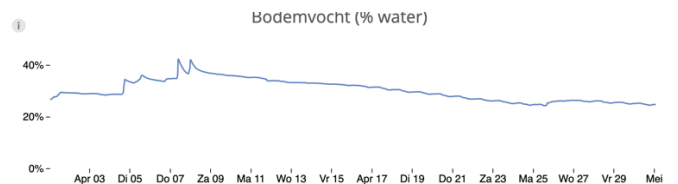

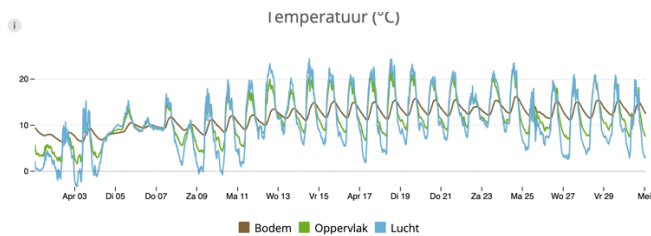

Luc Ongen - Mechelen

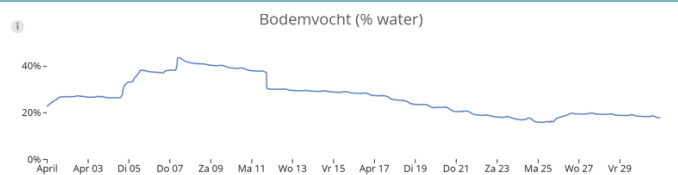

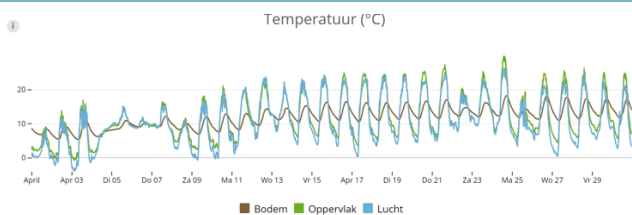

Oswald Denorme - Kluisbergen

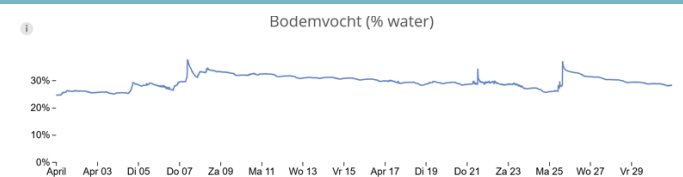

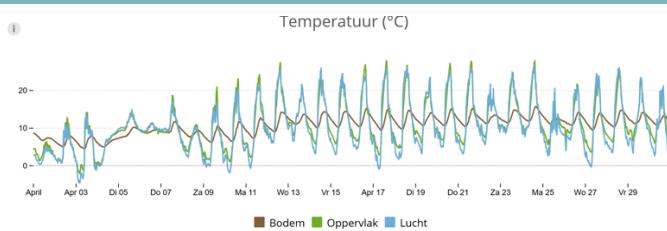

Rens Daeninckx - Tielt

Ward Bruggeman - Dadizele

Jean Paul Mertens - Zevegem
